CYRCA INSURANCE MANAGEMENT APPLYING FOR URAC CASE MANAGEMENT ACCREDITATION

INDIANAPOLIS, IN – Cyrca Insurance Management, a leading provider of specialized health care program development and management, announced today it is applying for case management accreditation from URAC, a Washington, DC based health care accrediting organization that establishes quality standards for the health care industry.

Cyrca is solely dedicated to offering tailored catastrophic products and services that improve the quality and lower the cost of specialty risk health care programs. Cyrca's experience and expertise in case management ensure appropriate levels of care at the most reasonable expense available to patients.

"Seeking URAC accreditation for our case management services demonstrates Cyrca's continued commitment to excellence in providing quality services for our customers," said Mark Johnson, President and CEO of Cyrca.

URAC is a nationally recognized quality improvement leader, reviewing and auditing a broad array of health care service functions and systems. URAC's rigorous accreditation process helps insurance providers to improve operations, share best practices, enhance accountability, promote patient safety, integrate provider participation, reduce business risks, and most importantly, protect patients.

"By choosing to seek URAC accreditation, Cyrca has displayed leadership through commitment to quality and accountability," said Garry Carneal, URAC President and CEO.

**About Cyrca**

Cyrca is a leading developer of specialized medical insurance programs. Cyrca was formed to focus on the design, implementation, and operation of customized programs delivering cost savings to clients (accident and health insurers and reinsurers, managing general underwriters, HMOs, provider groups, U.S. and international employers and government agencies). Differing itself from other firms choosing to offer certain specialized medical programs as an ancillary line of business, Cyrca is solely dedicated to offering tailored catastrophic products and services. Cyrca has been able to acquire the services of case managers, claims managers, and medical directors who have serviced the catastrophic care areas for over ten years. This allows the company to ensure clients receive the most current and appropriate levels of care at the most reasonable expense. Cyrca provides its clients expertise combined with convenience, access to acceptable security, competitive pricing, excellent information/reporting, as well as stability and service.

About URAC

URAC, an independent nonprofit organization, is well known as a leader in promoting health care quality through its accreditation and certification programs. URAC offers a wide range of quality benchmarking programs and services that keep pace with the rapid changes in health care system, and provide a symbol of excellence for organizations to validate their commitment to quality and accountability. Through its broad-based governance structure and an inclusive standards development process, URAC ensures that all stakeholders are represented in establishing meaningful quality measures for the entire health care industry.
